Please initial one of the following statements that best identifies the situation for your child.

Please note on the day of this event, you are not required to stay on campus, although you are more than welcome too, as there will be beverages and time to chat with fellow parents in Buchman (same place as check-in, arrival, and meeting area at the end). You may also accompany your child to the different events if you would like. If you will not be staying on campus, we request that you remain within a 10 minute walk or drive to the campus, in the event we need to reach you. Please make sure the first emergency contact listed above is the number of the adult that will be with or responsible for the individual on the day of the event.

There are many things to do in Troy on Saturdays. One option is the Farmers Market which is within walking distance to the campus.
