Distance Learning Opportunities For Professionals and Parents

The Center for Autism and Related Disabilities (CARD) offers online distance education training for professionals and parents on topics related to autism spectrum disorders (ASD).

Please see below for available topics:

**Understanding Autism Spectrum
Disorder**

**Helping Students with ASD Overcome
Challenging Behavior and Improve
Their Quality of Life**

**Thinking Differently: Keys to
Understanding Students with ASD's
Strengths & Needs in the Classroom**

**Promoting Successful Transitions from
Secondary School to Post-Secondary
School or Employment for Individuals
with ASD**

**Supporting the Student with ASD: Your
Role as a Para-Professional**

**Creating Visual & Environmental
Classroom Supports for Students with
ASD**

**Using Power Cards and Social
Behavior Mapping to Support
Pro-Social Behavior**

**Executive Functioning Strategies to
Keep Individuals with ASD Organized**

**Learning Better Ways to Cope:
Teaching Individuals with ASD Skills to
Replace Challenging Behaviors**
